Definitions

For purposes of this policy **hazing** is defined as any activity that recklessly or intentionally endangers the mental health, physical health or safety of a student or causes willful destruction or removal of public or private property for the purpose of initiation or membership in or affiliation with any organization recognized by the Board.

Endanger the physical health shall include but not be limited to any brutality of a physical nature, such as whipping; beating; branding; forced calisthenics; exposure to the elements; forced consumption of any food, alcoholic beverage, drug, or controlled substance; or other forced physical activity that could adversely affect the physical health or safety of the individual.

Endanger the mental health shall include any activity that would subject an individual to extreme mental stress, such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual.

Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity, even if a student willingly participates.

Authority

The Board does not condone any form of initiation or harassment, known as hazing, as part of any school-sponsored student activity. No student, coach, sponsor, volunteer or district employee shall plan, direct, encourage, assist or engage in any hazing activity. [\[1\]](#)[\[2\]](#)[\[3\]](#)[\[4\]](#)

Delegation of Responsibility/Enforcement

District administrators shall investigate promptly all complaints of hazing and administer appropriate discipline to any individual who violates this policy.

Students, administrators, coaches, sponsors, volunteers, and district employees shall be alert to incidents of hazing and shall report such conduct to the building principal.

The district shall annually inform students, parents/guardians, coaches, sponsors, volunteers and district staff that hazing of district students is prohibited, by means of distribution of written policy, publication in handbooks, presentation at an assembly, verbal instructions by the coach or sponsor at the start of the season or program, and/or posting of notice/signs.

Guidelines

Complaint Procedure

1. When a student believes that s/he has been subject to hazing, the student shall promptly report the incident, orally or in writing, to the building principal.
2. The principal shall conduct a timely, impartial, thorough, and comprehensive investigation of the alleged hazing.
3. The principal shall prepare and submit a written report summarizing the investigation and recommending disposition of the complaint. The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition of the complaint.
4. If the investigation results in a substantiated finding of hazing, the principal shall recommend appropriate disciplinary action, as circumstances warrant, in accordance with the Student Code of Conduct which could include suspension/expulsion and referral to law enforcement when warranted. Additionally, the student may be subject to disciplinary action by the coach or sponsor, up to and including removal from the activity.

If the investigation results in a substantial finding that a coach or sponsor affiliated with the activity planned, directed, encouraged, assisted, condoned or ignored any form of hazing, s/he will be disciplined appropriately. Discipline could include dismissal from the position as coach or sponsor.

The district shall document the corrective action taken and, where not prohibited by law, inform the complainant.
