### Race Details

The Parkland Cross Country team members and booster club would like to invite you to our first annual Trojan 5K Challenge fundraiser on August 20th, 2017. This Race is open to ages 10 year and above regardless of skill level. The race will be held at the Parkland high school cross country course. There will be prizes awarded for various race categories. For the low price of \$27 you can help support our Trojans and experience the same course as our Parkland Cross Country runners compete and win some of the most exciting races you will ever see. You will be

inspired during your run by the cheering of our very own Parkland Cross Country team members throughout the course. The purpose of this fundraiser is to help our cross-country teams get the necessary funding for supplies and race entry fees that are not provided by the school district. To register visit our webpage at <https://runsignup.com/parkland5k> which contains details regarding times and registration information. We hope to see you there!
